Office Memorandum • UNITED STATES GOVERNMENT

TO : Chief, Geographic Area
THRU : Chief, Cartography Division *RM*

DATE: 19 January 1956

FROM : Chief, Development and Construction Branch, D/GC

SUBJECT: Comments on Career Development in the Geographic Area, DRAFT
4 January 1956 (Revised)

In general this write-up covers the subject. Each individual in the Branch has had an opportunity to read it, and, if inclined, to turn in written or oral comments. None were forthcoming.

Two comments may be pertinent:

1. Page 4, 1/ Major Position Categories. In the listing of D/GP, are there not positions comparable to Cartographic Draftsman? We've had inquiries for personnel to staff a similar operation.

2. Page 6, 1, a. Senior Cartographer. Is "Senior" the proper adjective? We have not been calling Cartographers "Senior".
